

SAE Aerodesign Competition Discount Program

We know how important projects such as the SAE Aero Design are to branching out in college. RCATS started out as an idea in while we were in school, and this is why we like to give back to education. Besides our special SAE Aerodesign Competition Discount Program, we also offer a year round discount to educational institutions.

As a participant in the SAE Aerodesign Competition, you will receive 30% off RCATS telemetry and electronics*:

- RCATS Telemetry & Accesories
- RC-100 electronic switches
- RC-100X electronic switches
- RC-110 electronic switches
